Let your light shine!

In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.

~ Matthew 5:16

From the office . . .

If your child is staying home sick:

1. Please call the office to let us know.
2. Send an e-mail or signed note upon their return.
3. To request homework, call the office **no later than 9:30 a.m.** for the day you want the homework. You may also request it the day before.

Special request: Please do not contact teachers on their personal phone numbers for school business including homework requests. Our teacher's cell phones are typically off during school hours and we want them to have privacy at home during their off hours. If your request is school related, please call the school office to make arrangements. Thank you for understanding.

Parent/Teacher Conferences

Friday, October 30

Please see attached flyer for information.
This year we're including preschool!

It's Crazy Hat Night @ Ruby's Diner

Thursday, October 29th!

This is a fundraiser for the band and 8th grade class for their trip to Oahu this spring - so let's all go have a fun dinner and support our school. More information will come out in October but for now put it on your calendar and find a **crazy hat** !

Free Flu Vaccines

We will be having the Seasonal Flu clinic here at school on Tuesday, November 3. All students were given information/permission packets to bring home. Let the office know if you did not receive the packet and would like another.

Please remember to keep practicing good hand washing with your child, as well as coughing into the elbow/shirt, and keep them home if they have a fever/coughing/headache until they are well (without a fever for 24 hours, without taking any fever reducing medication). We all need to do our best to keep our students healthy!

Spam Musubi . . . Thanks for your donations!

We're doing great with donations. Thank you all so much. This is going to really help the profit margin for making our Spam Musubi. We are still waiting to hear from Walmart on a date to sell it out front of the Kahului store. We'll let you know when we know. It should be in November.

We're almost there -

we only need 10-15 more cans of Spam and 40 pounds of rice.
