### **Grades 4 & 5 Volleyball Update**

The Doris Todd volleyball team is making tremendous strides this year. They have shown great improvement in all phases of the game. We won our first 2 games of the year, and have had a lot of fun during the process. The Doris Todd players are representing the school and Jesus Christ with great attitudes and teamwork. A special thanks to Coach Willie Dagupion for all his hard work. Keep bumping, setting, and serving DT Eagles. Keep up the great work!

### **8th Grade Poems about the Boston Tea Party**

In the cool of a Boston night,  
Americans rallied up to fight.  
They all dressed as Indians  
And tossed over the tea  
All of them fighting to give liberty to me.  
by - Matthew DeMichele

First they were mad  
Then they were glad  
'Cause they threw the tea  
Into the sea.

### **Piano Lessons**

I would like to start giving piano lessons to students. If you are at all interested, let me know. I need to see if there is any interest before I start. I have taken many years of lessons myself. If you would like to know more, please contact me at school or e-mail.

Thanks, Mrs. Heidi Burger

We're very excited to welcome all of the students' grandparents who are able to attend. If you gave me their address, then I sent them an invitation for that day. The continental breakfast is from 7:30 - 8:00 followed by a special Grandparent's Day Chapel.

**Mission Emphasis Week 10/13-16**  
**Grades 6-8**

*Did you know that we still have 4 missionaries at Doris Todd? Can you guess who they are?*

Our middle school students will be going on retreat as a part of their Mission Emphasis Week, 10/13-16. This year we'll be using Camp Olowalu. Please make sure you fill out your child's form plus \$40. I know the teachers will need some help with cooking. Please check the form to fill in how you can help or speak with Miss Carpenter.
