RE-ENROLLMENT

Our Re-enrollment Night was a lot of fun! "Are You Smarter Than Our 5th Graders?" produced several winners. Congratulations to Tom Osterhus for winning 100% of his Re-enrollment Fee, Steve Strand, for winning 70%, and Josh Dukes, who won 60% but then won the drawing for 100% of his Re-enrollment Fee! We had a second drawing, on the spur of the moment, and it went to Lynn Nelson.

If you weren't present, please make sure you pick up your re-enrollment packet from the office. This really helps us reduce our postage costs.

The reduced re-enrollment fee will be honored through February 28th. As of March 1st, we open our enrollment to everyone. This will definitely impact our upcoming 6th graders. We have a very large 5th grade class. Please make sure you get your Re-enrollment in by the 28th! We have eight new applicants for 6th grade already.
