Shaping Lives to Shape the Future

November 18, 2011

Dear Parents:

Welcome to the 2011-2012 Doris Todd Basketball Season! Our Basketball games will run December 5th – January 27. Therefore, it is time for our players to start get prepared in terms of their skills, conditioning, and attitudes.

We will be looking for a coach for our 6th -8th grade team. The 3-5th grade volleyball coaches, from the fall volleyball season (Mark Blietz, John McCollum, and John Burkett) will be returning for the younger kids basketball season as well. The coaching staff is excited about the opportunities to work with your children throughout this season. We believe the season is filled with exciting opportunities as we continue begin to build a tradition. I believe that our coaches will create a playing style that will be fun to watch. Parents will enjoy and appreciate how hard the coaches will work on all facets of the game.

As the season begins, we believe parental roles will continue to play an important role in our success. Parents, we believe, can make or break this season for us by providing help in many areas including some listed below:

- Providing nutrition.
- Encouraging good sleep habits.
- Giving strong emotional support to your child.
- Demanding your child is at practice and playing hard.
- Monitoring homework and grades.
- Helping your child respond to adverse situations in a positive manner.
- Alerting coaches to problems affecting your child.

These would be some of the many possibilities for you to make a positive impact on our season. If anyone is interested being in charge of drinks and snacks (A team mom or dad that would be willing to contact parents and create a snack schedule).

Be praying for a safe, successful 2011-2012 basketball season. If you have any questions comments or concerns please let me know.

Sincerely,

Mr. Fitt
